Bordini Center for Business
and Innovation,
Room BC112
Fox Valley
TECHNICAL COLLEGE
Knowledge That Works
www.fvtc.edu/appleton

Event Objective:

Create a dialogue across business, industry, and educational support agencies to identify opportunities and challenges for economic growth and job development within the Framework of the First 100 Days Economic Agenda.

Panelists and Participants will address opportunities and challenges for: Manufacturing, Business, Construction, and Business Support Services providing a true cross section of the Wisconsin economic climate, within the White House's First 100 Days Economic Agenda.

Event Partners:

This Event is Presented by the Center for Leadership in Government, Dr. Terri McCormick Dawson, PhD and hosted by FVTC Bordini Center.

EXECUTIVE ROUND TABLE THE FIRST 100 DAYS BUSINESS | INDUSTRY | EDUCATIONAL LEADERS

The Executive Round Table will provide an interactive discussion for both panelists and participants. All in attendance will be provided a White Paper from the Event which will identify emerging themes and suggestions for future study/ interest. The Center for Political Leadership is a Non-partisan Research Consortium interested in public policy leadership
